

**CALL FOR CASE STUDIES:**  
**Integrity Action's Integrity Education Network**  
**invites submissions to our**  
**CASE STUDY COMPETITION**  
**in the field of**  
**INTEGRITY IN BUSINESS IN GEORGIA**

The objectives of the competition are:

- To introduce the practical applications of integrity principles into educational resources in the field of business
- To expand the availability of teaching and learning materials in business education, specifically related to integrity and anti-corruption
- To encourage research that contributes to the use of interactive study methods in the education system, particularly through case study development
- To enhance accessibility to case studies that focus on real-life problems of corruption and lack of integrity in the Georgian context

**Authors of winning case studies will be awarded cash prizes 500 \$, 300\$, 200\$ for the 3 best entries, which will be published online for use by academics around the globe.**

**Honorable Mention awards will go to additional worthy cases.**

**Winners will also be invited to present and discuss their cases at an Integrity Action Business Advisory Council Meeting or at the workshop at the end of May 2013 in Bakurani, Georgia**
