PROBLEMS AND SOLUTIONS**

Rezeknes Augstskola, Latvia
15 April 2010

Main themes:

- Restructurisation of national economy
- Non-traditional branches of national economy
- Tourism
- Small and medium sized enterprises
- Human resources development
- Marketing
- Finances and accounting
- Legal aspects

Working languages: Latvian, Russian, English

Preparation, submission, presentation, and publication of reports

Reports should be prepared in accordance with specific requirements for scientific publications. Only those reports reflecting results of original (previously not published) and essential scientific researches will be selected for publishing. Reports should be submitted electronically along with one review of the researcher of the specific field. Authors will have opportunity to present their report in sessions of thematic sections or as a stand report. Reports submitted to the scientific committee will be reviewed by independent reviewers. Reports correspondent to identified topics of the conference and to requirements of scientific publication will be published in ISSN conference proceedings.
