WITH THE PARTICIPATION OF:

CÁDIZ, SOUTHERN SPAIN · 1ST JUNE - 15TH SEPTEMBER

The **II Uca International Summer School** (UCA-ISS) is a join of formative and cultural activities with an international character that the University of Cadiz (UCA) offers in southern Spain. It is a forum where the international university community participates with the society of southern Europe through the exchange of knowledge, traditions, languages, cultures, etc.

The II UCA International Summer School counts with a specific academic programme organized by the Doctoral School EDUCA, the Foreign Languages Centre (CSLM) and the Spanish-Russian University Foundation of UCA. Moreover, UCA-ISS counts with the participation of International Campus of Excellence of the Sea (cei-mar), the most important consortium of universities and research centres that are focused on the sea in all its diverse aspects (education, research, innovation, culture, etc.).
