

TALLINN UNIVERSITY OF
TECHNOLOGY

Design e-services
that rock!

28 JUNE - 11 JULY
2015

Summer school on e-Services 2015

At Tallinn University of Technology, Estonia

This two-week summer course gives you a thorough overview of the whole e-Governance Technologies and Services Master's Program within focusing on designing an e-service following Start-up principles.

The course ends with practical hands-on hackaton: a 24 h session where participants develop their business model and create a prototype for an e-service.

Why join us? According to Sir Richard Branson Tallinn is #1 place to start your tech start-up in 2015!

Tallinn is Europe's leading start-up nation and has brought e-governance and e-services to people's everyday life.

You will be part of a small and international group with diverse experiences and cultural backgrounds.

In addition: Enjoy Estonia's high-tech modern cities and experience breathtaking nature.

Early-Bird price: 1990 EUR
(until March 2, 2015)

Standard price: 2500 EUR
(from March 3 until April 6, 2015)

The fee includes:

- course participation
- study materials
- lunches and coffee breaks
- a welcoming reception and farewell dinner
- accommodation for 14 nights
