

| Solemn Opening of the Festival - Schedule of Activities, September 22, TSU 1 st Building Yard | | |
|---|--------------------------|---------------|
| Activity | Organization | Time |
| Festival hours | | 11:00 – 19:00 |
| Festival’s solemn opening: speakers, TSU Choir | | 12:00 – 13:00 |
| Schedule of Festival Activities | | |
| Simulated archaeological diggings | Tbilisi State University | 11:00 - 19:00 |
| Exhibition/demonstration - student scientific expedition: TSU ULF/VLF NET research of electromagnetic characteristics of the first fields | Tbilisi State University | 11:00 - 19:00 |
| Exhibition/demonstration – student science engineering project “River Vere Hydrological Monitoring System” | Tbilisi State University | 11:00 - 19:00 |
| Exhibition/demonstration – student science engineering project “Psychological testing – measure your reaction time” – joint project with St. Andrew the First-Called Georgian University | Tbilisi State University | 11:00 - 19:00 |
| Exhibition/demonstration – student science engineering project „Sports training equipment – become a champion in eastern martial arts” - joint project with St. Andrew the First-Called Georgian University | Tbilisi State University | 11:00 - 19:00 |
| „No to Barbarisms“ | Tbilisi State University | 11:00 –19:00 |
| Exhibition experiment – student science engineering project “Noise of the city of Tbilisi” | Tbilisi State University | 11:00 – 19:00 |
| Exhibition experiment – student science engineering project “Smart items” – exhibit “Smart Home” | Tbilisi State University | 11:00 – 19:00 |
| Exhibition experiment – student science engineering project „Smart items“. Exhibit „ Automatic indoor plant watering system“ | Tbilisi State University | 11:00 – 19:00 |
| Exhibition experiment – student science engineering project „Smart items.“ Exhibit „Talking thermometer” | Tbilisi State University | 11:00 – 19:00 |
| Exhibition experiment – student science engineering project „Smart items” – Methodology of teaching engineering principles at schools. Joint project with St. Andrew the First-Called Georgian University | Tbilisi State University | 11:00 – 19:00 |
| Exhibition experiment – project personal radio locator „Intuition of a bat”: vision and orientation under limited visibility | Tbilisi State University | 11:00 – 19:00 |
| Entertaining biological experiments | Tbilisi State University | 11:00 – 19:00 |
| Entertaining chemical experiments | Tbilisi State University | 11:00 – 19:00 |
| Entertaining geographical quizzes | Tbilisi State University | 11:00 – 19:00 |
| Painting lessons | Tbilisi State University | 11:00 – 19:00 |
| Science quiz, entertaining competition with robots, nitrogen show, masterclasses: Rubik's Cube solution together with Guinness World | Tbilisi State University | |

| | | |
|---|--|---------------|
| Records winner | | |
| Mineralogy exhibition | Tbilisi State University | |
| VR tour | Tbilisi State University | |
| Robots with artificial intelligence, VISION AI algorithm module, electronic platform for learning process | SYSTEM CORP, a team of students from Tbilisi State University and San Diego State University | 11:00 – 19:00 |
| Interactive program: how a manuscript book was created in Georgia of the Middle Ages | Georgian National Center of Manuscripts | 11:00 - 19:00 |
| Exhibition of original medications created by Iovel Kutateladze Institute of Pharmacochimistry | Tbilisi State Medical University | 11:00 - 19:00 |
| Use of new infrared spectroscopy for monitoring oxygenation of muscle tissue in athletes | Tbilisi State Medical University | 11:00 - 19:00 |
| Entertaining science – Projects and ideas of students from the Academy of Robotics | University of Georgia | 11:00 - 19:00 |
| Exhibition of art science research publications and books; screening a film by Zaza Khalvashi; theatrical performance, seminar - „Cultural Heritage – Georgian Cinematography Turns 110“; integrated/inclusive dance workshop | Theatre and Film Georgia State University | 11:00 - 19:00 |
| Demonstration of technical model of façade cleaning equipment for glass façade buildings | Akaki Tsereteli State University | 11:00 - 19:00 |
| Demonstration of a new model of a car with a changing length | Akaki Tsereteli State University | 11:00 - 19:00 |
| A stand of new scientific publications of TSU | Akaki Tsereteli State University | 11:00 - 19:00 |
| Exhibition of projects created at FabLab ATSU | Akaki Tsereteli State University | 11:00 - 19:00 |
| Presentation of academic staff's new achievements (newly published monographs, collections) | Sokhumi State University | 11:00 - 19:00 |
| Science show of San Diego State University | Millennium Challenge Account – Georgia | 11:00 - 19:00 |
| Presentation of innovative inventions | Millennium Challenge Account – Georgia | 11:00 - 19:00 |
| Entertaining experiments | Ivane Beritashvili Center of Experimental Biomedicine | 11:00 - 19:00 |
| Exhibition of innovations | Georgian Academy of Agricultural Sciences | 11:00 - 19:00 |
| An exposition corner of wine and viniculture, sericulture, plant-growing | Georgian Academy of Agricultural Sciences | 11:00 - 19:00 |
| Presentation of original materials stored in geology-paleontology and | Georgian National Museum | 11:00 - 19:00 |

| | | |
|--|---|---------------|
| archaeology collections of the Georgian National Museum | | |
| Restoration –conservation of archaeological items (ceramic items) | Georgian National Museum | 11:00 - 19:00 |
| Exhibition of microbiological world | Institute of Bacteriophages | 11:00 - 19:00 |
| Ozone simulations | Tbilisi State University | 11:00 - 19:00 |
| Children’s University | Tbilisi State University | 11:00 - 19:00 |
| Fruit and wine experiments | Iakob Gogebashvili Telavi State University | 11:00 - 19:00 |
| Stand with a 3D printer | Georgia's Innovation and Technology Agency | 11:00 - 19:00 |
| Workshop: Little Bits (electronic constructor) | Georgia's Innovation and Technology Agency | 11:00 - 19:00 |
| Workshop: Lego Robotics | Georgia's Innovation and Technology Agency | 11:00 - 19:00 |
| Workshop: Digital painting | Georgia's Innovation and Technology Agency | 11:00 - 19:00 |
| The most in-demand professions in 2019-2020 and an information stand for necessary skills | IT Academy Step | 11:00 - 19:00 |
| Line following racing | IT Academy Step | 11:00 - 19:00 |
| Stand | International Black Sea University | 11:00 - 19:00 |
| Project “Acoustical Stonehenge” | Vano Sarajishvili Tbilisi State Conservatoire | 11:00 - 19:00 |
| Information stand with a small exhibition | Vano Sarajishvili Tbilisi State Conservatoire | 11:00 - 19:00 |
| Interactive project on visualization of musical compositions | Vano Sarajishvili Tbilisi State Conservatoire | 11:00 - 19:00 |
| Exhibition of pilot models of innovative equipment and devices | Georgian Technical University | 11:00 - 19:00 |
| Virtual labs in physics, chemistry and mathematics | Georgian Technical University | 11:00 - 19:00 |
| Aerial vehicle created through spatial printing; flying wing created through spatial printing; simulator of unmanned aerial vehicles; flight simulator | Georgian Aviation University | 11:00 - 19:00 |
| Interactive events | Georgian Aviation University | 11:00 - 19:00 |
| Exhibition of books, brochures funded in frames of various contests; presentation of successful projects funded by the Foundation | Shota Rustaveli National Science Foundation | 11:00 - 19:00 |
| Exposition: monographs, books, articles, patents of the famous scientists, members of the Academy of Sciences | Georgian National Academy of Sciences | 11:00 - 19:00 |
| Exhibition and demo of innovative IT products | UGT | 11:00 - 19:00 |
| Exhibits reflecting the laws of physics, chemical experiments, quiz competitions with revealing the winners | Experimentorium | 11:00 - 19:00 |
| Dolls workshop | The Union of Tbilisi Museums | 11:00 - 19:00 |

| | | |
|--|---|---------------|
| George Gava aerial vehicle | George Gava | 11:00 - 19:00 |
| Lugar Lab and Disease Control Research Stand | National Center for Disease Control and Public Health | 11:00 - 19:00 |
| Concert by TSU Art | | 17:00 – 18:00 |
| End of the festival opening day | | 19:00 |
