Hangzhou Dianzi University (HDU)

ADMISSION 2016

1. Profile

Hangzhou Dianzi University, also known as HDU, is located in Hangzhou, one of the most dynamic cities in the Yang-tse River Delta area, the capital city of Zhejiang Province and one of the most prosperous provinces in China with its strong economic growth, vitality and potential.

HDU is a key research oriented university with its own distinctive features in electronic science and technology, engineering and information technology as well as management, economics and accounting. HDU is approved as one of the five key provincial universities in 2015 among more than one hundred public colleges and universities.

Founded in 1956, HDU has 5 campuses spread throughout downtown and Xiasha, the Higher Education Park and Economic Development Zone and Xiasha Campus is HDU main campus which has over 20,000 full- time students and 2,300 staff with 1600 teachers including 690 professors and associate professors.

HDU has 21 schools and research institutes and offers 57 undergraduate programs, 54 postgraduate programs and 3 Ph.D. programs in engineering, management, economics, science, literature, law and education, along with multiple interactive disciplines and specialties.

The university emphasizes on the comprehensive development of its students and works hard to cultivate high-quality talents with innovative spirits and practical skills. The students who have graduated from HDU are acclaimed by their employers and excel in their achievements in important scientific and technological milestones in competitions around the world.
