

ALIAKSEI LABEIKA, BELARUS

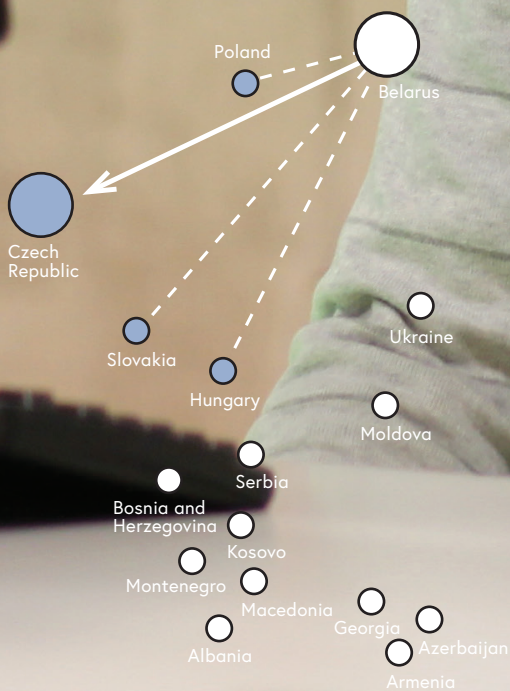

After my Bachelor's degree I had a dream to study international business at the University of Economics in Prague. Receiving the Visegrad scholarship made the dream come true. I enrolled at the University of Economics and the school proved to be much better than I originally thought. My major 'International Business—Central European Realities Program' is just amazing! I am getting all the necessary knowledge for improving my business plan and starting my own international business.

What are the advantages of a Visegrad scholarship?

Visegrad scholarships are available for undergraduate, postgraduate, PhD and postdoctoral students in all different disciplines. You can study in any language and study for up to four semesters. There is also no age limit, so you can apply even if you are already out of school. You can also apply for a travel grant.

Where can you study with our scholarship?

You can study at any accredited public or private higher-education institution in the V4 region (college, university, science academy, art academy).
