

WANTED: Busy Bee

Join our team

#IndicoForSAP

Become a basis consultant for SAP

We want to expand our team - with you!

INDICO Solutions is a SAP consultant company from Weyhe in Bremen.

We are not the biggest employer but one of the best for sure - according to our employees. The team concept is most important for us, because we are only successful in the market if we stick together and provide the best service to our clients.

You want to educate yourself personally and professional? Let us grow together!

WHAT TO EXPECT

- An intense trainee-program over several months (starting: 01.04.2020)
- Independent working on projects
- Support and installation of SAP systems incl. consulting our clients
- Future-proof job

WHAT TO BRING

- You do have an diploma in MINT studies or related knowledge
- You are able to do more with Windows than closing a window
- Colleagues mean more to you than steps on a career ladder
- To communicate in front of and with people is no reason for you to get nervous
- You like travelling and living out of your suitcase
- You speak German fluently

WHAT YOU GET

A TEAM

We always stick together
