www.hse.ru/en/ma/tling/

HSE offers many more English-taught Master's programmes. A full list is available here:
www.hse.ru/admissions/graduate-apply

Who can participate?

- Current undergraduate students and recent graduates who are interested in pursuing a Master's degree

Why participate?

Olympiad winners will be accepted to the Master's programmes corresponding to the competitions they participated in. In some cases, they will be awarded full-tuition scholarships and tuition discounts. Students who are awarded full-tuition scholarships will also receive a monthly scholarship and accommodation at HSE dormitories for the period of study.

Participation in International Olympiad Competitions will give applicants an advantage when applying to Master's programmes at HSE.

PARTICIPATION IS FREE!

Before the Olympiad

To participate, you must:

- Register on the Olympiad website <https://olymp.hse.ru/ma/> by March 6, 2017
- Determine where and when an Olympiad will be held nearest to you <https://olymp.hse.ru/ma/>
- Familiarize yourself with the Olympiad format and regulations

How to prepare

- Familiarize yourself with the different Olympiad competitions offered and what specific Master's programmes they correspond to
- On the International Olympiads Competition website you can find sample exams to use as study materials
- Please note that exams will be held in English and can be completed in English or Russian

If you are unable to participate, you can apply by submitting an online application

- Complete information about applying to HSE as an international prospective student is available online: www.hse.ru/admissions/graduate-apply
- Twenty-five Master's programmes are offered in English.
- Full-tuition scholarships and tuition discounts are available for many of these programmes. To learn more about application requirements and deadlines, please visit the International Admissions website www.hse.ru/admissions
