

irina_modebadze@yahoo.com

Name, Surname:

Irina Modebadze

**Date and Place of Birth:**

03/03/1975 Kvareli, Georgia

Address:

Vashlijvari 4v, f.17, 0159, Tbilisi, Georgia

Phone:

(+99532) 2531607 / (+995599) 731038 (mobile)

E-Mail: irina.modebadze@tsu.ge

Education:

1992-1998 – Iv. Javakhishvili Tbilisi State University (TSU), Faculty of Biology and Medicine;

Specialty – Biology; Qualification - Biologist, Teacher of Biology and Chemistry;

Number of Diploma - A № 07740.

2001-2004 - Iv. Javakhishvili Tbilisi State University (TSU), Faculty of Biology and Medicine, Speciality – Cytology, Histology and Embriology (03.00.11); Qualification – Candidate of Biological Sciences PHD; Number of Diploma - № 004148.

Employment Experience:

1998-2004 - Laboratory Assistant; Iv. Javakhishvili Tbilisi State University (TSU), Faculty of Biology and Medicine, Laboratory of Developmental Biology.

2004-2005 - Younger Scientific researcher; Iv. Javakhishvili Tbilisi State University (TSU), Faculty of Biology and Medicine, Laboratory of Developmental Biology.

2004-2006 - Head Teacher; Iv. Javakhishvili Tbilisi State University (TSU), Faculty of Biology and Medicine; Department of Cytology, Histology and Developmental Biology.

2006-2009 - Invited lecturer; Iv. Javakhishvili Tbilisi State University (TSU), Faculty of Exact and Natural Sciences, Deparetement of Biology, Division of Morphology.

2009 – 2014 – Assistant Professor; Iv. Javakhishvili Tbilisi State University (TSU), Faculty of Exact and Natural Sciences, Deparetement of Biology, Division of Morphology.

2014 - till now – Associate Professor; Iv. Javakhishvili Tbilisi State University (TSU), Faculty of Exact and Natural Sciences, Deparetement of Biology, Division of Morphology.

Main Spheres of Interest:

Cell Biology, Histology, Molecular Biology, Biochemistry, Immunology, Modern laboratory investigations in cell and molecular biology, Regeneration of parenchymal organs, Growth factors.

Lecturing commitment:

Cell Biology, Histology, Research methods in Cell and Developmental Biology.

Bachelor's and Master's theses leadership:

Giorgi Mosidze (master) - The influence of protein complex derived from adult rat brain on the rat's hippocampal progenitor cells proliferative activity, 2011.

Natia Lipartia (bachelor) - The Influence of Endogenous Protein Complex on The Quantity of ki-67 Positive Cells in Infant Rats Pancreas, 2011.

Salome Murghulia (master) - The Study of Rat Pancreas Endogenic Thermostable Protein Complex Action Mechanism, 2012.

Natia Lipartia (master) - The Influence of Endogenous Protein Complex on the proliferative activity of adult rat pancreas cells, 2013.

Elisashvili Tamar (bachelor) – The identification of the active component from the pancreatic thermostable protein complex, 2105

Maziashvili nino (bachelor) - Effect of extract of walnut (*Juglans regia* L) septum on prothrombin characteristics during leucopenia in white mice, 2017.

Participation in several Grant project:

2009 – Manager, Principal Investigator - The Identification and Characterization of Thermostable Protein Complex Isolated from Rat Pancreas Tissue; Georgian National Science Foundation (GNSF/PRES08/6-339).

2010-2012 – Main staff. Effects of extracellular ubiquitin on alcoholic and nonalcoholic liver regeneration; Shota Rustaveli National Science Foundation (#09-616-2-160/1-2/54)

Computer Skills :

Microsoft Word, Excel, PowerPoint, Photoshop, CorelDRAW, Microsoft Windows 98/00, Internet, E-mail.

Languages:

Georgian – native, Russian – fluent, English – good.

Publication (last 5 years):

1. Sujashvili R, Bakuradze E, **Modebadze I.**, Dekanoidze D, Qirikashvili I. In vivo investigation of extracellular ubiquitin effect on liver histoarchitectonics. *Georgian Med News*. 2011,(191):77-81.

Voluntary commitment:

Annual Scientific Conference for students and pupils - Current issues of biology and medicine - Organizing Committee Member.

Participate in workshop Children's University Summer Academy.

Co-leader of the Georgian national team in the International Biology Olympiad.

Organizing Committee Member of ENS 2018, TSU, Georgia.
