1. Academic Degree

Format: Academic degree title, field/qualification/major, Institution, Year (e.g.PhD in Asian and Middle Eastern Studies, University of Cambridge, 2004.)

Doctor of Physical and Mathematical sciences , Assoc. professor of faculty of Exact and Natural sciences, Department of Mathematic of I.Javakhishvili Tbilisi state university, 1985

2. Work Experience

Format: Years, position, department/unit, institution.

2009- to present day - Associate professor of faculty of Exact and Natural sciences, Department of Mathematics of Iv.Javakhishvili Tbilisi state university.

2007-2009 TSU contractor -associate professor of faculty of Exact and Natural sciences, Department of Mathematics of Iv.Javakhishvili Tbilisi state university.

1987-2007 Head of Chair, Chair of general mathematics of TSU mechanics-mathematics faculty.

1986-1987 Professor, Chair of the theory of functions and functional analysis of TSU mechanics-mathematics faculty.

1985-1987 Prorector of Education, TSU.

1979-1986 Associate professor, Chair of the theory of functions and functional analysis of TSU mechanics-mathematics faculty.

1970-1979 Senior research worker, I.vekua Institute of Applied Mathematics, TSU.

1967-1970 Junior research worker, I.vekua Institute of Applied Mathematics, TSU.

1966-1967 Assistant, Chair of the theory of functions and functional analysis of TSU mechanics-mathematics faculty.

3. Participation in Research Projects Related to the Proposal

Format: start and end dates, donor institution, project (grant) number, project title, position in the project.

1.2014-2016. Shota Rustaveli national science foundation,FR/223/100-5/13. Fourier coefficient and convergence problems. Principal.

2.2015-2017. Shota Rustaveli national science foundation,FR/102/100-5/14. Function classis and subjects of the convergence of the orthogonal series. Main staff.

4. List of Publications Related to the proposal

Format: authors, publication title, journal title, series, volume issue (publication date): page (s) or, book/monograph title, edition #, series publisher, city, year.
