

Malkhaz Gochitashvili
Assistant Professor
Atomic and Nuclear Physics
e-mail: malkhaz.gochitashvili@tsu.ge
Phone (office): +995 32 2290814
Phone (mobile): +995 555 474102

Education:

University Diploma in Physics (Theoretical Physics), Ivane Javakhishvili Tbilisi State University
Ph.D, in Atomic Collision Physics, A.F.Ioffe Fiziko-Technical Institute(Sankt Petersburg)

Teaching Courses:

Applied Nuclear Physics
Ecological Modeling
Optical Physics Laboratory
Atomic and Nuclear Physics Laboratory
Subatomic Physics Laboratory
Electromagnetism Laboratory

Research Interests

- **Investigation of atomic particle collision processes by optical and collision spectroscopy methods.**
- **Nuclear spectroscopy methods.**

Selected Publications:

1. R. A. Lomsadze, M. R. Gochitashvili, and R. Ya. Kezerashvili., “Precision measurements of cross-sections for inelastic processes in collisions of alkali metal ions with atoms of rare gases” **Int. J. Mod. Phys. B** **31**, 1650257 (2017).
