About

PapunaKarchavais an Assistant Professor an At Department of Computer Science, Faculty of Exact and Natural Sciences at IvaneJavakhishviliTbilisi State University, Tbilisi, Georgia.In 2006, He receive his Ph.d Physics and Mathematics Science (01.01.01). In 2007-2009, he was working on positon Senior engineer of computer laboratory at Faculty of Exact and Natural Sciences. He became an Assistant Professor at Iv. Javakhishvili Tbilisi State University in 2009 and till now is working on same position.

Teaching

Lecture courses

- Operating System
- Computer Architecture
- Computer Networks and Communications

Research

Publications
