

# CURRICULUM VITAE

RAMAZ A. GAKHOKIDZE

**Nationality:** Georgian

**Date of Birth:** May 17, 1945

**Place of Birth:** Tbilisi, Georgia

**Home address:** 82 Barnovi St., 380079 Tbilisi, Georgia

Tel.: (995) 32 22 50 30. Cell.: (995) 99 57 00 43

**Office address:** Department of Bioorganic Chemistry, Tbilisi State University,  
1 Chavchavadze Avenue, 390028 Tbilisi, Georgia

Tel.: 99532 251553. FAX: 99532 251876

E-mail: [rgakhokidze@gmail.com](mailto:rgakhokidze@gmail.com); [rgakhokidze@yahoo.com](mailto:rgakhokidze@yahoo.com)

## Work experience:

1971 – Senior Research Worker of Department of Chemistry of High Molecular Compounds of Tbilisi State University.

1974 – Docent of Tbilisi State University.

1983 – Head of Laboratory of Bioorganic Chemistry of Tbilisi State University.

1984 – Professor of Tbilisi State University.

1990 – Head of Department of Bioorganic Chemistry of Tbilisi State University.

## Education and scientific degrees:

1962 – Tbilisi #53 Secondary School.

1960 – Tbilisi #9 Musical School.

1965 – Tbilisi #1 Musical College (Composer Department).

1967 – Chemistry Faculty of Tbilisi State University.

1970 – Post-graduate Course of Tbilisi State University.

1971 – Candidate of Chemical Sciences.

1974 – Faculty of a Fine Arts (composer Department) of Tbilisi State University

1976-1977 – Post-doctoral Fellow of Rice University, Houston, Texas and Purdue University, Lafayette, Indiana, USA.

1984 – Doctor of Chemical Sciences.

## Contribution to Science:

- A new type of molecular rearrangement of carbohydrates (Gakhokidze's rearrangement) has been discovered.
- Founded the basic principles of agrobioorganic chemistry.

- Over 300 books, articles and inventions in chemistry, medicine, biotechnology and agriculture.
- Some works concerning ecological problems and philosophy and history of science have been published.

#### **Contribution to music:**

- Over 100 vocal, choral, piano and instrumental music, among them "World Laboratory Anthem", "University Anthem", String Quartet, Violine Concert are composed.

#### **Memberships:**

- 1987 – Full Member of American Society of Pharmacognosy.
- 1989 – Member of Italian Ecological Scientific Committee.
- 1990 – Member of European Ecological Committee.
- 1990 – Member of Internatinal Society of Pure and Applied Chemistry.
- 1995 – Member of Georgian Academy of Ecological Sciences.
- 1995 – Member of Georgian Academy of Preventive Medicine.
- 1995 – Member of Georgian Agrotechnological Academy.
- 1996 – Member of Georgian Engineering Academy.
- 1997 – Member of Georgian National Academy.
- 1997 – Member of Georgian Academy of Philosophy.
- 1997 – Member of the Federation of Journalists of Georgia.
- 2003 – Member of International Engineering Academy.

#### **Awards:**

- 1985 – Winner of First Grade Prize of Georgian Council of Ministers.
- 1988 – Winner of P.Melikishvili Prize.
- 1990 – Winner of Georgian Ministry of Education Prize.
- 1996 – Winner of Georgian State Prize.
- 1999 – International Biographical Centre (Cambridge, England) has included Prof. Ramaz Gakhokidze in Outstanding People of the 20th Century.
- 2001 – The American Biographical Institute has selected Prof. Ramaz Gakhokidze as a  
Great Mind of the 21st century.
- 2003 – Included in 2000 Outstanding Scientists of the 21st Century.
- 2003 – Awarded by the American Medal of Honor.
- 2003 – Awarded by the Georgian Order of Honor.
- 2003 – Winner of International Peace Prize.

**Personal Interests:**

- Some works concerning to ecological problems and philosophy and history of science have been published.
- Over 60 vocal, choral, piano and instrumental music, among them "World Laboratory Anthem", "University Anthem", String Quartet, Violine Concert are composed.

**Languages:**

Georgian – native

Russian – fluently

English – fluently
