**Education:**

- University Diploma in Geography (Geographycal kartography), Ivane Javakhishvili Tbilisi State University
- Ph.D, in Geography, Ivane Javakhishvili Tbilisi State University

**Teaching Courses:**

- Cartography
- Science about cards
- thematic and satin cartography
- landscape mapping
- geoinformation mapping
- cartographical aspects of dynamics of the environment
- geocological cartography

**Research Interests:**

- Cartography
- Science about a landscape
- Geoinformatics

**Running projects:**

- Drawing up cards of a landscape and ecological framework of Mestia district

- Drawing up cards of a landscape and ecological framework of Calenjikha, Chkhorockhu, Martvili, Kareli, Khashuri, Kharagauli, Zestafoni, Tkibuli, Chiatura, Sachkhere, Khoni, Vani, Bagdadi, Ckaltubo, Ozurgeti, Chokhatauri district
- Addition and updating of the geoinformation atlas of the Adzharian autonomous republic
- National atlas of Georgia
- Landscape and ecological assessment of the Chiauri woods
- Geoinformation mapping of the degraded rural lands and restoration of pine complexes (on the example of Tusheti)
- Planning and studying of the protected territory of Racha
