

CV

Kereselidze Zelimkhan

- Birth Date: February 26, 1939. Tsikhisjvari, Georgia
- Address: Varketili III, tenth quarter, 11th building, Tbilisi, Georgia(Home)
- TSU Building XI, University Str., 13, Tbilisi, Georgia (Office)

Tel.: (+995 32) 2 73 41 00 (home) (+995) 568 99 18 24 (mob.)

E-mail: zelimkhan.kereselidze@tsu.ge

ACADEMIC STATUS, DEGREES:

- Assistant Professor,

Candidate of Science in Biology -

Diploma - MBL No. 013834 - Moscow, September 22, 1971

Doctor - Diploma (Associate Professor of the Department of Invertebrate Zoology) MDC No. 091096 Moscow, April 14, 1975.

POSITION:

1961-1962: Preparator- Department of Zoology Ivane Javakhishvili Tbilisi State University, Faculty of Biology

1962-1969: Laboratory assistant - Department of Zoology Ivane Javakhishvili Tbilisi State University, Faculty of Biology

1969-1973: Laboratory head assistant - Department of Zoology Ivane Javakhishvili Tbilisi State University, Faculty of Biology

1973 --2006: Assistant Professor - Department of Zoology Ivane Javakhishvili Tbilisi State University, Faculty of Biology

2006-present Assistant Professor. Faculty of Exact and Natural Sciences. Ivane Javakhishvili Tbilisi State University

Research Interests:

Internal reservoirs of Georgia(Lakes, reservoirs). The qualitative and quantitative structure of zooplankton and its variability is anthropogenic eutrophication of reservoirs. Formation of qualitative and quantitative structure of zooplankton in artificial reservoirs in the first years of filling

Teaching Interests:

General hydrobiology; Private hydrobiology; Applied hydrobiology; Planktonology; Water ecology; The ecology of the reservoirs of Georgia, The biological resources of Georgian water reservoirs and eutrophication, Ecology; Ecological aspects of hydrobiology

Grants:

Ecology and natural resources management - TSU and the Ministry of Environmental Protection and Natural Resources conducted a grant project on training specialists. We lectured on environmental issues. Financing of the Eurasia Foundation (1998)

Publications and Textbooks (selected publications):

1. Z. Kereselidze and co-authors - "Zooplankton of lakes and reservoirs of Georgia" - Abstracts of the II Congress of the Union of the Hydrobiological Society. Chisinau, 1970
2. Z. Kereselidze and co-authors - "Influence on the hydrobiological regime of Lake Kumizi"; Works of the Union of the Scientific Research Institute of Marine Fish and Oceanography; The second problem. Moscow, 1979
3. Mr. Kereselidze and co-authors: "Biology of the seas and fresh waters" (Student manual). Publishing house of TSU; Tbilisi, 2003. [204 pages]

Total - 25 scientific publications

Additional Information:

In September-December 1971, I graduated from the Faculty of Advanced Studies in Moscow State University. M.V. Lomonosov [Certificate No. 5217, WW, December 1971]

In 1972-1986 I passed the advanced training courses for teachers and teachers of the Tbilisi State University

AWARDS:

2004. Ivane Javakhishvili's medal - for long and impeccable work at the Tbilisi State University
